Love One Another by Nancy Kane (John 13:34-35) Indeed Devotional
Our words and actions matter more than we know. Words of kindness spoken from others actually calm our hearts as well as our bodies. The benefits of self-control outweigh the costs. How can we measure peace of mind and body, furthering the kingdom through love and forgiveness, and being known as people who are menders of broken hearts? It matters physically, emotionally, and spiritually. We must love each other, for our very lives depend on it.

Don't forget the greatest thing we can do for God or for man is to pray.
