John Wycliffe (1329-1384) Reformer and Theologian

He believed that the Bible should be studied, preached, and obeyed instead of being treated as a mysterious Holy Book. John Wycliffe knew the power of God's Word, and he sought to make it available to others. Scriptural truth is always transforming truth-in his day and yours. Every biblical insight can be the beginning of a new personal revival-a revival that draws you closer to the Lord of all truth, and through you leads others to that life-giving Lord. A lesson from the life of John Wycliffe: Others have sacrificed that I might read, study, and obey the Scriptures for myself. Psalm 119:105-112
