Jesus Revolution movie – From Greg Laurie about Lonnie Frisbee and his impact on his life. “I was one of those baptized in the ocean at that time. Lonnie had come to my high school one day to teach a Bible study. He read from the New Testament, and then he spoke about how Jesus wasn’t some far-off, far-out historical figure. He was real, and He could be known personally.”

Two Hands by Love Song played in the movie.

We’re all gathered here, Because we all believe. If there’s a doubter in the crowd, we ask you not to leave. Give a listen to His story, Hear the message that we bring. Feel the faith swell up inside you, Lift your voice with us and sing. Accept Him with your whole heart, And use your own two hands. With one reach out to Jesus, And with the other, bring a friend. Many know Him well, others just by name. If you don’t know for what He stands, You’ve really much to gain. With faith you can move mountains, These are common words but true. We aren’t quite a mountain But He’s moved us here to you.

Don’t forget the greatest thing we can do for God or for man is to pray.
