The very first prerequisite to seeing our nation healed is humility

2 Chronicles 7:14 "If my people who are called by my name humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land." One definition of humility in the Strong's Concordance is "to bend the knee." This act is a sign of submission. Therefore, when we humble ourselves before God, or bend our knee to God, we are submitting to His plan for our nation. Consequently, we are also submitting to His timing for deliverance and the healing of our land. Our part is to remain humble before the Lord and continue to pray, trusting that He who began a good work will complete it.

Don't forget the greatest thing we can do for God or for man is to pray.
