A Giving Heart

Happy are those who...Give love rather than demand it. Reach out to others rather than expect to be reached out to. Desire to be a friend more than to have friends. Express appreciation rather than expect it. Relieve suffering rather than think only of their own suffering. Pray "God bless others" more than "God bless me". Think of other's good points, not their failings. Forget themselves in doing deeds that will be remembered. We Really Live When We Live To Give

Don't forget the greatest thing we can do for God or for man is to pray. Let's spend time with the Lord in prayer, in repentance, in thanksgiving, and presenting our petitions before Him.
