HEIDELBERG CATECHISM LORD'S DAY 4

9. Q. But does God do man an injustice by requiring His law?
A. No, for God so created man, that He was able to do it. But man, at the instigation of the devil, in deliberate disobedience robbed himself and all his descendants of these gifts.
10. Q. Will God allow such disobedience and apostasy to go unpunished?
A. Certainly not. He is terribly angry with our original sin as well as our actual sins. Therefore He will punish them by a just judgment both now and eternally, as he has declared: Cursed is everyone who does not continue to do everything written in the Book of the Law.
11. Q. But is God not also merciful?
A. God is indeed merciful, but He is also just. His justice requires that sin committed against the most high majesty of God also be punished with the most severe, that is, with everlasting, punishment of body and soul.
