Question for You. Do You give yourself the same kind of grace that you give other people? Especially your kids. And I was thinking about this a while back And I thought why don't we all talk to ourselves the same way we talk to our children. You know when they're little and they need such love and such nurturing. And especially when we have the bad times. I mean I came upon this not in a hard time. But when you have like the BIG BAD hard times. Like the real hard times. And I found myself just walking through the house. And just stopping and saying You're doing good, my baby. You're doing good. It's okay. You're going to Be Okay, my darling. And talking to myself I know it sounds a little crazy trained, but it really works. Um the same way I spoke to my kids, warm, loving, nurturing. Give it a try. See what it does for you. You're going to be okay, my baby. You're going to be okay.
